

Rhenus Logistics in Türkiye

Tuesday, May 9, 2023

Rhenus Turkey has been providing services in Türkiye since 2011 and invests in sectors that are a focus for development of Türkiye as well. In the last 3 years, volume of business for Rhenus Turkey doubled every year compared to the previous year.

Geographically, Türkiye constitutes the bridge from East to West. The country has a strong and highly skilled workforce in production and design. Its strategic and critical location within Europe enables Rhenus Turkey to ensure resilient and reliable supply chains as well as production.
