## TENDER FOR STORAGE – Sec. 3

All Goods tendered for storage shall be delivered at the Warehouse Facility properly marked and packaged for handling. The Depositor shall furnish at or prior to such delivery, a manifest showing marks, brands or sizes to be kept and accounted for separately, and the class of storage and other services desired. Storer or Warehouse is not a guarantor of the condition of such Goods under any circumstances, including, but not limited to hidden, concealed, or latent defects in the Goods. Concealed shortages, damage, inherent vice or tampering will not be the responsibility of Storer or Warehouse. Depositor represents and warrants to Storer or Warehouse that there are no known potential health, safety and/or environmental hazards associated with the storage and handling of the Goods that have not been disclosed to and acknowledged by Storer or Warehouse. Notwithstanding, Depositor will provide Storer or Warehouse with information concerning the Goods which is accurate, complete and sufficient to allow Storer or Warehouse to comply with all laws and regulations concerning the storage, handling and transporting of the Goods. Depositor will indemnify and hold Storer or Warehouse harmless from all loss, cost, penalty and expense (including reasonable legal fees) which Storer or Warehouse pays or incurs as a result of Depositor failing to fully discharge this obligation.

## STORER’S LIEN – Sec. 4

All advances and charges are due and payable prior to delivery or transfer of the Goods. The Storer or Warehouse shall have a lien upon, right of retention and security interest in all Articles of Depositor, including the Goods, at any time heretofore and hereafter deposited by Depositor in any Warehouse Facility owned or operated by the Storer or Warehouse. Such lien, right of retention and security interest shall be for all charges, advances and expenses in relation to such Articles of Depositor, whether or not heretofore released from the Warehouse Facility. In the event of nonpayment of any such amounts, the Storer or Warehouse has the right, after reasonable notice, to sell or otherwise dispose of the Depositor’s Articles in any manner that it may reasonably think fit to satisfy its lien, subject to legislation in force governing the disposition of such Articles in the province where such Articles are stored. Where the Storer or Warehouse decides, in its sole and exclusive discretion, to deliver or transfer the Goods prior to receipt of payment of all charges, advances and expenses in relation to the Goods, the Depositor shall deliver to the Storer or Warehouse, immediately upon its request, a signed acknowledgment of indebtedness on an invoice or other statement of account.

- (a) Instructions to transfer Goods on the books of the Storer or Warehouse are not effective until delivered to and accepted by Storer or Warehouse, and all charges up to the time transfer is made are chargeable to the Depositor. If a transfer involves re-handling the Goods, such will be subject to a charge. When Goods in storage are transferred from one party to another through issuance of a new warehouse Receipt, a new storage date is established on the date of transfer.
- (b) The Storer or Warehouse reserves the right to move, at its expense, 14 days after notice is sent by registered mail, overnight courier or electronic transmission to the Depositor, any Goods in storage from the Warehouse Facility in which they may be stored to any other of Storer's or Warehouse's facilities. Storer or Warehouse will store the Goods at the Warehouse Facility and may without notice move the Goods within and between, any one or more of the warehouse buildings which comprise the Warehouse Facility identified on the front of this Receipt.
- (c) The Storer or Warehouse may, upon written notice to the Depositor and any other person known by the Storer or Warehouse to claim an interest in the Goods of not less than 30 days from the end of the current storage month, require the removal of any Goods. Such notice shall be given to the last known place of business of the person to be notified. If Goods are not removed before the end of the notice period, the Storer or Warehouse may sell them in accordance with applicable law.
- (d) If Storer or Warehouse in good faith believes that the Goods are about to deteriorate or decline in value to less than the amount of Storer's or Warehouse's lien before the end of the 30-day notice period referred to in Section 7(c) above, the Storer or Warehouse may specify in the notification any reasonable shorter time for removal of the Goods and if the Goods are not removed, may sell them at public sale held one week after a single advertisement or posting as provided by law.

Storer or Warehouse shall not be liable to Depositor for any demurrage or detention, any delays in unloading inbound cars, trailers or other containers, or any delays in obtaining and loading cars, trailers or other containers for outbound shipment unless Storer or Warehouse has failed to exercise reasonable care as determined by industry practice.

Notwithstanding the foregoing, Depositor acknowledges and agrees to accept a damage and inventory shrinkage allowance of up to \_\_\_ % of Goods deposited with Storer or Warehouse.

### **DELIVERY REQUIREMENTS – Sec. 9**

It is the Depositor's responsibility to provide the Storer or Warehouse in advance with detailed, written information and instructions on any of its Articles that may be considered hazardous, whether or not they are regulated under the *Transportation of Dangerous Goods Act* or other applicable legislation. If the Depositor fails to do so, the Storer or Warehouse shall have the right to refuse to accept such Articles when tendered for storage or other services and shall not be liable for any loss, misconsignment or damage of any nature to such Articles. The Depositor warrants that the Goods, the packaging and marking thereof comply in all respects with the provisions of any federal or provincial legislation or regulations governing the handling or storage of dangerous goods. Storer or Warehouse will not act to initiate a Recall without the express prior written approval of Depositor unless otherwise required by applicable laws or at the direction of governmental authority. The cost of any Recall shall be borne by Depositor. Depositor shall indemnify and hold harmless the Storer or Warehouse from all loss, cost, penalty, and expense (including reasonable legal fees) which Storer or Warehouse pays or incurs as a result of a Recall.

### **LIABILITY OF STORER OR WAREHOUSE – Sec. 13**

- (a) The responsibility of the Storer or Warehouse is the reasonable care and diligence required by the laws of the province where the Goods are stored; provided that all Goods are stored at the Depositor's risk of loss, damage or delay in delivery unless the Depositor establishes such loss, damage or delay occurred because of the Storer's or Warehouse's failure to exercise the care required by the laws of the province where the Goods are stored.
- (b) The quality, condition, contents and value of the Goods are not known to the Storer or Warehouse except as declared by the Depositor and described on the face of the Receipt.

  - i) Storer or Warehouse shall not be liable for any loss or damage to Goods tendered, stored or handled however caused unless such loss or damage resulted from the failure by Storer or Warehouse to exercise such care in regard to them as a reasonably careful person would exercise under like circumstances. Storer or Warehouse is not liable for damages which could not have been avoided by the exercise of such care;
  - ii) In the event of loss or damage to the Goods for which Storer or Warehouse is legally liable, Depositor declares that Storer's or Warehouse's liability for damages are limited to \_\_\_\_\_ per \_\_\_\_\_, and in no instance shall any one claim exceed the limit of Storer's or Warehouse's liability insurance, provided, however, that such liability may at the time of this Receipt as provided in Section 2 be increased upon Depositor's written request on part or all of the Goods hereunder in which event an additional monthly charge will be made based upon such increased valuation;

- (d) Where loss, damage or destruction occurs to the Goods, for which the Storer or Warehouse is not liable, the Depositor shall be responsible for the cost of removing and disposing of such Goods and the cost of any environmental cleanup and site remediation resulting from the loss, damage or destruction to the Goods.
- (e) The Storer or Warehouse shall not, in any event, be liable for any claim of any type whatsoever with respect to the Goods unless such claim is presented in writing within a reasonable time, not exceeding 30 days after the Depositor learns of, or, in the exercise of reasonable care, should have learned of the loss, damage or destruction of the Goods.

The provisions of this Receipt shall be binding upon the Depositor's heirs, executors, successors and assigns and cannot be modified except in writing signed by Storer or Warehouse.
- (h) The Parties agree that these Terms and Conditions shall be governed by the law of the Province within Canada in which the Warehouse Facility is located. By accepting the services provided under these Terms and Conditions, the
